

# Great Learning

GRANTMAKING OBJECTIVES & TACTICS

## Civic Engagement

OBJECTIVE: Develop civic attention, evidence, and opportunities for innovation in education in order to make Philadelphia an attractive place for educators and families.

### TACTICS

#### Cultivate civic support for public education by funding:

- Expansion of best practices in schools
- Opportunities that create an appealing professional work environment for educators and education professionals to support the Foundation's Great Learning objectives

#### Use data to set high standards by supporting:

- Collection and dissemination of citywide indicators of progress and objective research on critical education issues
- Vehicles to share stories of successes and challenges to deepen public understanding of local practice

#### Support opportunities for innovation by funding:

- Promising interventions aligned with the Foundation's Great Learning objectives
